For purpose of this request, "record" includes any writings, memoranda, notes, communications, minutes, logs, or information of any kind, formal or informal, whether wholly or partially handwritten or typed, and all information maintained electronically (including computer databases and e-mail), on microfilm, on paper, and/or in other formats, including any and all drafts of any such records. Our request covers any record prepared on or after January 1, 2013.

We understand that we may incur certain charges as a result of this request, and we hereby agree to reimburse EPA for any such reasonable charges permitted under FOIA (e.g., for copying). If the records are available electronically, we also would accept responses on CD or through other electronic media. If costs exceed \$250, please contact me directly at 303-454-2548 or tiffany.joye@hoganlovells.com so that we may discuss the charges associated with this request.
